Dear Section 8 Landlord:

Dane County Housing Authority offers a free property listing to help landlords, owners, and agents who have rental property available in Dane County to advertise their property to Section 8 tenants.

In order to have a more accurate and up to date Vacancy List for our clients, we are making some changes in how the properties will be listed. Properties will be listed for 3 calendar months, after which they will automatically expire and be removed. If you are a landlord who always has some vacancies, indicate by checking the Permanent listing box below, and include only one address for that property.

As before, we can only include one contact phone number for tenants to call you, and please remember to fill out the listing form completely. You may call Carmen at 224-3636, ext 020 or fax to Carmen at 224-3632 to remove the listing before the 3 months have passed; or you may call to re-list if a vacancy remains after that time.
